Application No.

## **Continuation Sheet (PTOL-303)**

Claims 9, 23, 26, 35, 46 and 49 are all product-by-process claims drawn to a self-cross-linked alkyl cellulose. These claims are product claims since they are limited only by the structure of the product implied, self-cross-linked alkyl cellulose, and not the process steps. The prior art of record, Leavitt is deemed to meet the limitation self-cross-linked alkyl cellulose of claims 9, 23, 26, 35, 46 and 49 and the dependent claims 10-12 and 36-38 still stand rejected and the amendment will not be entered into the record.
